ABOUT COMPANY LEADERSHIP

MC is managed by Mrs. Kim Adams. Mrs. Adams guides the company with more than 23 years of experience in business management, development, and contract management. Mrs. Adams believes in a well-organized organization and continues to raise the expectations of her team and clients. Mrs. Adams' goal is to increase MC's market share in the engineering and professional services industry.

Mr. Troy Adams, is a registered Professional Engineer with over 19 years' experience in engineering planning/design and project management. Mr. Adams' vast knowledge and experience with the DOD, DOT, and local State Government will prove invaluable in MC's quest to secure future contracts both federally and commercially.
